

Quinten Leon Homer

September 22, 1932 ~ September 29, 2024

We were out of town when we learned of Quinton passing and so sorry to hear that. We feel so blessed to have had you for neighbors at Summit Vista and to get acquainted with such great people. We have observed the example your children showed in their loving care for Quinton. Kathie, we know you are in good hands with such great children. Our thoughts and prayers are with you.

Kathie and family, We are so sorry to hear about the passing of Dr Homer. He was such a kind and generous man and the best neighbor we could have asked for. We were so blessed to have your family next door growing up. We gave so many great memories of all of you. Sending love and healing prayers. Susan and family
