

Ralph Charles Warner

May 1, 1954 ~ November 18, 2023

As neighbors and community friends, we extend our sincere thanks to Ralph for his goodness and service to us and many more of his acquaintances. He and his crew kept our cars running and licensed. Thanks for your skills and respect! —Robert and Susan Hale

Condolences to the Warner family. Ralph and his family have been reliable and kind friends, dating back to college days when Ralph sometimes allowed us younger boys to tag along on his adventures. Ralph had a beautiful new Chevrolet Monte Carlo with an eight track tape player. It didn't get any better than that in the late 1970s. Good memories. Enjoy the new horizons, Ralph.
