

Ralph Clyde Freeman

April 18, 1937 ~ October 30, 2025

Aunt Bonnie, my blessings to you and the whole family at this most precious and tender time. May you all be held in the light of God’s love, peace, comfort and grace. We are all blessed by the experience and presence of Ralph’s light, heart and soul in our lives planting the seeds of laughter and joy, good cheer, encouragement or even lending a helping hand. I know that his light shines as brightly in heaven as he did here with us. Be at peace and comforted knowing that Ralph is in God’s keeping and loving care and that he has been met by all those who have gone before. We are blessed as he lives on in our hearts and memories forever. Blessings and love to you all.

We were neighbors on Windsor Lane in Bountiful Many years ago and adored your Dad - that laughter made us always smile. He was a wonderful neighbor and he will be in our thoughts.

Bonnie, Stephanie, Greg and Michelle, my sincere condolences for your loss. I was deeply saddened today hearing of Ralph’s passing from President Barnes. I thoroughly enjoyed my 7 years at Seagull Sales working for Ralph. He was so much more than a boss to me. He was my mentor, trainer, coach and friend. He gave me my first sales job at the age of 20 which lead to a successful 46 year career. May God bless and comfort your family during this time of sorrow.

Sweet Bonnie, we are so sad about the events of this last week. We love Ralf and you and send our condolences at his passing. What a fun man! He was exceptionally kind to everyone and especially us! Of course everyone feels like they have lost their best friend. He was a strong spiritual presence in our ward and neighborhood. I know he gave you much service and Doug and I would love to fill in some of the gaps that will be left by his absence. Please call on us to do that. We love you ■

I am so very sorry for your loss and I regret that we were not able to be there in person to pay respect and honor uncle Ralph in person. Though I only talked uncle Ralph a handful of times over the past few years, his presence in our lives was constant and deeply felt. He was a quiet force of goodness whose influence reached far beyond the moments we shared. Ralph was a man of integrity. He lived by his principles, treating everyone with fairness and respect. Whether through his work, his friendships, or his quiet acts of kindness, he was always striving to make the world a better place. And he did. He had a warm personality that would light up a room and a kind word that never failed to lift spirits. Uncle Ralph’s example reminded us to live with compassion, to act with honesty, and to care deeply for others. The world has lost a truly good man. But his legacy lives on—in the values he stood for, the lives he touched, and the love he gave so freely, and in his good family that he loved with all his heart. Ralph will be missed but I'm sure he's already busy - hard at work on the other side.

We were neighbors in Layton Utah for 15 years before moving to Mesquite Nevada. We then kept in touch visiting each other in St. George and Mesquite. We enjoyed our many visits with Bonnie and Ralph over the years. Rest in peace dear friend.
