My heart goes out to you.

We are so sorry to hear of his passing. Our deepest sympathy to his family.

Allan and I are saddened to learn of Ralph's passing. I remember many times when his family came from Denver and met with our family and our grandparents. Years later, we were overjoyed to learn that Ralph and Sheila were coming back to Denver. We had moved there with our family also. They were in our Ward and our children played together. May your family be blessed with strength and comfort as you mourn the loss of this great man!

- Ann (Jackson) Troop

I first met Ralph in Berlin, Germany in July of 1961 where we were both serving as missionaries. One month later we witnessed the building of the Berlin Wall, a tragic and history changing event. Ralph was an energetic and devoted missionary. Unfortunately, after our missions ended, I saw Ralph only one or two times. But my good memories of him are still vivid in my mind. My condolences to his family.

Dan, I never met your dad but recall you speaking of him with love and respect. As I read his obituary it was easy to see how much you emulated him in your actions, devotion and faithfulness. You represented him well and I’m sorry for your loss.

Elder & Sister Jackson were the 1st Missionaries I ever met. In 2012 they explained the Spiritual realm to me with Suzan. Kind, wise, & funny folks. Love You

Ralph is among the top three of "Best Bosses" I have ever had the honor of working with! We loved him at UTA and he will long be memorialized for the whole "Program of Projects" for the infrastructure of public transportation in Utah. We couldn't have done it without him. Sending my love to Claudia, Kym and family!

Ralph was a caring and important mentor to me at the Utah Transit Authority. He could see how my skills could fit into a need at the agency and helped me forge a path to a career there. I knew I could always go to him when something troubled me. He practiced and shared his wisdom, calm, smile, and life's experiences with all. My deepest condolences to all his family. With such found memories, Kerry Doane

Ralph was a gentle Giant in the transportation and transit world and we all stood on his shoulders. He was trusted and admired by all. His consequential contributions to Salt Lake's transit system was his commitment to this community that will last for generations to come. Our thanks and prayers to Ralph, Claudia and his entire family. Love, the Utah Transit Authority team.

I appreciate the most appropriate funeral service. Ralph and Sheila with their family lived about 3 blocks from us in Denver and we were in the Denver Third Ward together. I served with him as a Seventy, and as his Stake Executive Secretary. He also called me to serve as the Bishop of the Denver 20th Ward. As a friend and brother in the Gospel he certainly influenced my life for much good.

Dear Claudia. We were saddened to hear of Ralph's passing and that we missed the funeral. We were in Finland at my Aunt's memorial service. Ralph was brilliant and such a good man. We hope that you will feel the comfort of the Spirit and know that our thoughts and prayers are with you and your families at this time. Love and hugs from Sirpa and Lorne
