

Ralph M. Campbell

Jan. 31, 1929 ~ Feb. 14, 2023

Condolence to the Family of Ralph Campbell. I remember his stories about riding on donkey carrying a refrigerator down to the bottom of the Grand Canyon. RIP

Sending love and heartfelt condolences. Uncle Ralph was/is very dear to me, and his larger than life personality will live always on through the many wonderful anecdotes and memories he shared. His laugh and beautifully expressive eyes always drew me in.

Ralph-my big brother was not a perfect man, but who is? I did not know him well. But Ivan say this. I loved him!
