Ralph and Bonnie were great Neighbors. He was my home teacher for many years, what a loving person--he will be missed.

Oh Judy Jack and all others in your family. I'm so sorry about the passing of your Dad. Having been in your house many times I remember your Dad so well and he was so fun and friendly. It did help we were in the same Ward growing up. I remember him playing ball with my brothers and how good he was. He was so sweet with my parents and family at their deaths. I saw him last at my brother Stans viewing. I'm happy he is with your mom. What a reunion. My prayers and love to all. Mary Lue

Dear Francis Family, I just wanted you to know my prayers are with you all at this time. I know how hard it is for you to lose Ralph. I have a lot of memories of Ralph beginning when I was 14 and he was in the Bishopric and was part of the Teachers Quorum and would give lessons often. Ralph helped coach the County Rec. Softball team that several of us from the ward played on after I got home from my mission and we all know how much he loved ball and the stories he would tell. After Bonnie passed he would spend a lot of time visiting my dad while my dad was sick. After my dad passed I spent a lot of time with Ralph and my Mom over the past 10 years. Ralph will really be missed. It is really kind of weird not seeing him the last couple of weeks. He was a good man and I know he is happy! I care for all of you and appreciate what you have done for me. Darryl Syversen
