

Ralphael Plescia

December 20, 1937 ~ August 14, 2022

I was so surprised and sad to see this obituary. Ralph was such a unique, talented, and interesting person to be around, I’m so sorry for the family’s loss!

Rae, I am so sad to learn of Ralph's death! He was such a great guy, and my family and I thought very highly of him. Ralph was so good to my father in so many ways. He was always there to help him with mechanical problems, etc., at home. And he couldn't have provided a more beautiful barber shop for him. I offer my sincere condolences, and best wishes. Dennis
