January 9, 1930 ~ February 7, 2021

So sorry to hear of aunt RaNae's passing. She has always held such a special place in my heart. I grew up always hearing I was her little twin(personality and looks). I'll never forget her taking care of our family after my dads passing and then again years later helping Ryan and I with my moms passing. She was always there for us and for that I will always be eternally grateful. Please take comfort in knowing she lived an amazing, beautiful, long life. She was so blessed to have such a large family whom she loved dearly. I can imagine the reunion in heaven with grandma, grandpa and now all the siblings. What a special moment that must have been. Love you aunt RaNae you will forever be in my heart.

RaNane will be missed. She was so easy to get along with and had smile that could win over any one that she came in contact with. She had a great attitude and was very easy to get along with ill miss her welcoming hugs a her kind words. She treated every one as if they were family. God be with her....

I was so saddened to hear about your Mom's passing! You're mother was truly one of a kind, I think that is something that is unique with us Gill's. We all tend to live our lives the way we want. I will be forever grateful for my Aunt Ranae, she has always been there to support my family, when our dad passed away the Gill women rallied around my mother. Aunt Ranae was always there to help with whatever we needed. When our mother passed she was there to help my sister Becky and I through everything. I always looked forward to Aunt Ranae calling me for help with some project she had going, it most always involved some heavy lifting and most likely you could plan on moving things around until they were just right to her liking. That's what I loved about her she wanted things her way and reminded me so much of my Grandma Gill. I am truly amazed after watching her service that the Gill spirit is alive and well in all of you! We all are truly blessed for her strong belief in God and for all the time spent with her learning how to be the best we can be. You will be forever missed, but not forgotten Aunt Ranae because your spirit will live on through your family! Love you always Aunt Ranae, Ryan M. Gill
