My thoughts and prayers are with you Harold as well as your family. It was such a shock to hear the news. Christy called me with the news and I couldn't believe it. Do you have a request where a donation in her honor should go? Let me know: ccoryd@icloud.com

We're so sorry to hear Renee's passing. We have so many memories with her during scouts , relief society and just being an awesome neighbor ! We were also benefited by her spaghetti. It was amazing. She was so kind so generous and brought Dewey and the kids dinner while Cheryl was out of town. We are so sorry to miss her funeral, but we were able to zoom it.
