I am so sorry for your loss. I didn’t know Ray personally. But I got to meet one of his nieces and she is very special person. I can only images how ray was. Your family will be in my prayers and thoughts. Everything will get better

I offer my condolences to Raymond's entire family and to all of his friends and relatives. He was very active and dedicated to his Church, family and friends. You are all feeling great sorrow and I wish that Raymond and I as cousins could have seen more of each other.
