

Ray DeVon Tippetts

Feb. 5, 1937 ~ Dec. 28, 2020

Ray was a dear friend for many years. We enjoyed many discussions about the gospel, family, and gardening, and home teaching together. He was a great support of Ilean's creativity as they made a beautiful home and yard together. I miss visiting with them. May God bless your family with peace and love at this time of sorrow.

My condolences to you and your family. May God bless you and Watch over you during this time.

To the Tippetts family: I send my sincerest respect with the passing of your dad. I knew him through 2 different jobs as well with sports in Riverton when my children played baseball and softball. He was truly a wonderful man! He will be missed. God bless you all. Stephanie Erickson
