Ray was a good friend and one of my mentors in the Church. I served as his 1st Counselor when he was the Bishop of the Heather Ridge Ward in Aurora, Colorado in the late 1980s. His genuine compassion for other people and his delightful sense of humor combined to make him a very well-loved Bishop. I offer my sincerest sympathies to all of the members of his wonderful family.

My condolences to Ray's family. I worked for Ray at the Denver Office from 1980-1982. He was my supervisor and he always supported me and for that I am forever grateful. I just happened to find his obituary when I talked to someone today from he Denver office. I have a couple pictures of him if you would like them. In 1982, I arranged to having a singing telegram from someone dressed as a gorilla! He took it in great stride. What I remembered about him was his dry sense of humor. After watching the video, it looks like he had a very fulfilling life. Kind Regards, Penny
