What a beautiful service and tribute to a wonderful man. Your family has always been an example of humility and kindness. I know my parents absolutely loved you guys. Thank you so much for being such an example and an impact on my family as well. We love you and pray for you during this time of loss

- Alan and Sandra Howell and Family

Rest in peace Ray. You gave me my start in commercial television. I'll say thank you in person when I get to your side of the vale. Mike Hiett

To whom it may concern, I only just learned of Brother Milius's passing. I remember back in the early 2010's, he taught the young men. Needless to say, he had an influence on me during my youth, I could not be more regretful of his passing, but I know he is in a better place now. -River
