Hi "Neighbor", is how we greet each other, as we literally live across from each other. Ray was our ministering brother. A gentle soul, kind, giving. He will be missed. Sending love and sympathy to Maureen and family.

- Arnel & Rorie Macahilas

Maureen and family, we were so saddened to hear from David about Ray's passing. And to add to our sadness, we have to tell you that we are in San Diego starting another mission and won't be able to attend the viewing or the services. We think you know Ray was very special to us, and especially to Don for his unselfish work as Young

Men’s President when Don was Bishop. He could be counted on for anything he was asked, and he gave even more, coming up with all kinds of marvelous activities that made the Young Men’s program special. We love you all and know how much you will miss Ray, and we will miss him too. All our love, Don and Vickie

I’m sorry to hear of the Passing of Ray and send my condolences to all the family. I knew Ray as my Baseball coach. He was a wonderful Man, and a great coach. So grateful for all the great childhood memories playing for Ray and learning the game of baseball from him. I was a childhood friend of his son’s and enjoyed visiting their home. He and his wife were always so kind to me. They had a great family. And he seemed like a great family man.

I stopped by Hyland Music every now and then since I knew someone who worked there. Whenever I got the chance to interact with Ray or see him interact with others, I always saw and was impressed by his kindness and willingness to help, along with with his great sense of humor.
