Reagan, You were a fire in my life. So much love and passion, you will be missed. What a trio we were at Westminster ■ You are forever in my heart and the world is so much darker without your light ■■ Peace to you dear friend.

Reagan, thank you for always being so kind to me! We didn't know each other well, and I hadn't seen you in ages (sadly), but I remember vividly how welcoming you were to Mike and me when we began attending Ballet West performances, how happy I was always to see you, and how much bright energy you brought to our every interaction. Love love love to you and to all who cherished you!

- Mindy Wilson

Dearest Reagan, I will never forget our many years as best friends. You were my rock, my laughter, my confidant and my family and you will always be in my heart. I regret losing touch, but I know our bond will always be there. I'm so sorry to your entire family and community of people who loved you. Sending my love to you all.

Thank you for sharing Reagan's memorial service with us via zoom. It was my honor to attend. I so enjoyed getting to know Reagan in high school at Rowland Hall. This afternoon, I could see a series memories of being in The Boyfriend together with Hillary and others. It has been a treat to reconnect with Reagan via facebook in the past 10 years. Reagan was lifted up in the prayers at my church on Sunday. Prayers of comfort and consolation for her family and friends in these days.

- Heather VanDeventer

Reagan, Not sure if I ever confessed this, but I deliberately did not return the Fleetwood Mac cassette you left in my Jeep. Please forgive me. Have fun celebrating Brain Day with old family and friends!!! We will miss you here :(Your friend forever <3 Melissa

I am surprised and saddened to hear of Reagan's passing. Reagan and I worked together at Ballet West and we shared many good times. I remember her as a strong advocate for the arts and social justice and she will be missed.

I'm so happy to have known you, Reagan. You were full of life and did so much to advance arts and culture in SLC. You were a beautiful example to me of a thriving, professional, and fun-loving woman and I will be forever grateful for your friendship and the moments I got to spend with you.

Mike, Diane, Kathy and family, words cannot express the sadness I feel and I can't imagine how difficult this is for you and all of your family. Reagan was always kind, fun, sincere and happy and I loved her personality. I have never met someone who could lift my spirits by just saying hi to me, she was bold and loved life and I know she adored her parents, family and friends more than anything on earth. We will miss her dearly. I know that Reagan would want us all to continue on and live our lives the way she would and to cherish her memory. Mike and Diane, you raised a wonderful daughter, and Kathy, I know you loved her like she was your own, and I'm sure Sam felt the same way. She touched the lives of so many in her short time here. Wishing you all the very best and my sincerest sympathy. Mike
