Rebecca Anne Adams

December 24, 1967 ~ August 24, 2022

I became friends with Rebecca when she moved into Providence place. She had a great memory and was the one you wanted on your team for Name That Tune! She taught me about nutrition and shared some of her recipes with me including the gingerbread cookies! I love the scarf and washcloths she made me! I will miss her insights, her kindness and her prayers for me and my family.

Terry and Lori, I am so sorry for your loss. While we have an eternal perspective, the earthly loss is still great. Many hugs and prayers as you navigate through this. ~ Kim
