Dear Thomas and Children and Family. Our hearts are broken and we seek strength from our Savior. Becca was such a beautiful example of the love of the Lord. We are better people for having known her and look forward to her company again after this Mortal Journey. We love you.

Dear Thomas and Family, Please know that you are in my prayers during this most difficult time. Take good care of each other. May your memories and stories sustain you as well as your faith.

- The Rev. Mary S. Janda

Even if I knew how this would end, I'd go back in time just to be her friend and love her all over again. All my love and then some is being sent to you and the kids. You guys are always in my thoughts.

I loved getting to know Becca at work, she was a very popular person there! I knew she was very good at oragami and I asked her to make something for me and she did! She was amazing at oragami! Thanks Becca for your infectious smile and your funny personality! You made the job more fun!

My family and I are heartbroken for all of you who were close to Becca. Becca was known for her cheerful, fun loving, and kind nature. As my daughter, Rachel, put it, “Becca was without guile and had a sweet innocence about her. We are so very sorry for your loss, especially that she went so quickly, without warning. We love you and pray that you might be comforted and feel our Heavenly Father’s arms around you, not only during the next days, weeks and months, but always!

My heart aches for your family. Riley has been Swayzies best friend this year and what a bright, beautiful girl you and Becca have raised. Please let us know if or how we can help with anything, even if it’s just a play date.

- Swayzie , Ryan and Erica

Becca was a regular at the Holiday Oil I work at, we absolutely adored her and her entire family. We are all so heartbroken to hear about her passing. She was always so sweet and bubbly and had a smile on her face. She will definitely be missed by the Holiday family! To her family, we are so sorry for your loss and you are all in our thoughts.
