Becky was an amazing woman and I only recently met her! She was always so positive and wanted so much to serve others. She wasn't able to leave home when I met her but she was excited and enjoyed visiting by phone some of the elderly sister's in our ward! So valiant, so cheerful and caring. She was so grateful for her son Max and daughter in law Krista who she lived with. She was always expressing her gratitude and love for them and how good they were to her. We will miss this beautiful woman, friend, she is truly one of the choicest of humans, a brilliant mind, ever giving! Love you Becky

Dear Cousins, I am so sorry for the loss of your wonderful mother. I fondly remember her smile, her laugh, her kindness, and her graciousness. I often looked for her books at the grocery store and bought her latest creations, which were always so fun to read. The number of books that she wrote was astounding and a credit to her active mind. Your Mom was a good woman, who lived a good life and raised amazing children. You are all a credit to her kind heart and wise mind. In love, Christina

Madame Burton was my French teacher at Evergreen for all three years. She was fantastic! She regaled us with stories of her school years in Switzerland, taught us vocabulary, let us have French fashion shows, and celebrated Christmas with Buche de Noels and "Il est ne le divin enfant." She was always willing to help us during lunch or after school. Because of her, I continued French at Olympus (including AP), visited Paris and other parts of France, and minored in French in college. I'm also in my 25th year of teaching. Madame Burton, tu vas me manquer et je t'aime.

To Rebecca's Family, I am sending my most sincere condolences to you all . I have been reading her beautiful stories for years and have kept them in a special place on my book shelves. I can not imagine no more books from her she truly was a gifted author. She has truly left a bit of herself in every book that I will be able to reread and feel as if I really knew. Yours Truly, Suzanne Ball
