

Reed Andersen Watkins

November 6, 1926 ~ January 18, 2023

Diane and I send our love at this tender time. Reed’s dad Joe and my mother Clara were the oldest And the youngest of the Joe and Ella generation. With fond memories of Reed, Margaret, and Ruth, I treasure the “Watkins” moniker. The stories are legend! Their escapades, skills, and kindness coupled with unsurpassed music and athletic prowess as well as tireless service to others, church and community are forever hallmarks. Reed set a high bar in his master of many talents. To each of the family and to you Jeanette, we send our sympathy and thanks for the blessing of sharing Reed’s and. your life with ours.
