

Reed Forsgren Christensen

January 11, 1935 ~ September 16, 2022

My condolences to the Christensen boys/brothers on Reed's passing. I think you are right, about the happy reunion with Lois. It was a joy to have him live in the neighborhood, have him take care of Reed & Bonnie and see him at church each week. He was a great man and we all learned much from him through his sons. May God bless.
