Renee was my mother in law and a wonderful person and grandma. I will miss her and having her over for dinners along with my mom. She would always bring containers for left overs, which she loved Mark’s cooking. We love you and will miss you. Mark, Terry, Melissa, Zachary.

Dear Tony, Tammy, Mark, Greg and families and the families of Terry and Van, I extend my deepest sympathy to each of you and pray that you will receive the comfort and peace you need at this time and in the days and months to come. You have been so very blessed to have your mother, grandmother, and great-grandmother for so long, what a special gift. I have many happy memories of spending several Thanksgivings at Aunt Renee and Uncle Paul's and having you come to spend several at our home, Aunt Venna and Uncle Bud. Your mom was always so gracious to us. I know my mother truly enjoyed getting to know her younger sister better, during their later years. It's sad that Aunt Renee, mom and Aunt Opal didn't have the opportunity to grow up together, but I know they were all grateful for the time they were able to spend creating memories, as adults. Family is so very important. May you all find comfort in the many happy, special memories you have now and in the future. With deepest condolences and love, Your cousin, Cindy Norris Erickson
