Ressa, you are forever in my heart. I wish we had more time together. You are so badly missed. Many times we laughed and cried together as we’d say “our anxiety was circling for a landing.” I’m glad we took so many pictures. You’re a sweet, beautiful angel now. I love you always!

- Mom

With heavy hearts, we send our deepest condolences and prayers. Heavenly Father, we ask for your mercy and grace for Ressa as they begin their journey into eternal life. Please bring them into your loving arms and grant them peace and rest. We also pray for those who are left behind, that they would find comfort and hope in your presence and the promise of seeing their loved one again. Amen

Dear April, I want to share hugs and tears with you, Javier and their little babies, as you say goodbye for now to your dear Ressa. Though her life was so brief, and she was just starting motherhood, what a beautiful breath of air that she was during her lifetime. In times of grief, we can ask why, oh why, did this happen? Or we can thank God for the precious treasures He has given us along our life's journey. Ressa was one of those beautiful treasures. May your sweet memories of Ressa your heart full, such that the sadness flows into a river of peace for you and all Ressa's family.
