Much love and prayers for your family Ron & Elaine Arbon

- Elaine Arbon

I had the privilege of a couple of candy making lessons with Faye and learned so much. Much love sent to Robyn, Mark and the rest of her family.

It's so hard to say goodbye to your mom that unconditional love that you've always had. I hope you will feel comfort and her influence that drew you all together. Love and prayers for your sorrow!

- John & Carol Cherrington Jackson

Robyn, sorry for the passing of your mom. She sounds like a wonderful mother and all around special person. One day you will be reunited again!

- Linda VanderWerff

Robyn, my deepest condolences to you and your family at this very sad time. Faye was truly an amazing and beautiful person. I feel very privileged to have known her and Tex through the years.
