I am so sorry to hear of the passing of Sister Merrick. She brought so much happiness to my life when I moved into the Ward. She always had a smile and kind word and she was a classy dresser and fixed her hair so nice.

Leslie and Stevane: I’m so sorry to hear about your dear mom. She certainly was a big part of my childhood years in Rose Park. She was always a lady I admired. My last memory of her was when I was grocery shopping for my mother and luckily ran into your mom where we had a nice visit. My thoughts are with you! — Jan Charles Green
