

Rey Justine Swalberg Hutchison

April 23, 1946 ~ September 25, 2024

Rey was such a sunshine in our lives. I never saw her in a bad mood! She was kind and peaceful and faithful, and I hope to be more like her one day.

You were such a special person. My mom SHARON and my aunt MARGO both loved you so much. Now you will be with my mom and that makes me happy. May you rest in pease now. I love you Trisa

We're so sorry for your loss but so happy for her. She was a strong obedient, faithful woman. I loved visiting her home and not once did she ever complain or say anything negative. She loved her girls■■■

When I served as CEO of Mountain View Hospital, many years ago, I had the pleasure of working with Rey. All the good things both thought and said about her are very true. She is a very special person. All who knew her in this life will miss her, and all of us are better off for having known her.

Rey was a great friend when she lived here in Spanish Fork. I always missed her. I had hanging in my home for a number of years a floral wall hanging that she did for me. It always gave me a special feeling when I looked at it. My love and condolences to all of her family. Charleen Sump

I love Ray. She kept me on track. She used to correct me when I did things stupid and I love her very much. I’m sorry she’s gone. Thank you for all you did for her.
