

Rhett J. Millecam

July 10, 1961 ~ April 18, 2022

I met Rhett through the Utah Parrotheads. about 20 years ago on a plane to Las Vegas. Rhett and I and many of Rhett's Phead friends shared many adventures together and not all Jimmy buffett related if you can believe that. we traveled to Jimmy Buffet concerts near and far, Meeting of the Minds in Key West, Phins to the West in Laughlin, Nevada and several other crazy and fun filled pirate adventures. He was a true friend. Rhett cared about people and was always there to help and the first to sign up for charity drives, highway clean up's raising money for the homeless pediatric clinic and many more. Rhett - "It's these changes in latitudes, changes in attitudes Nothing remains quite the same Through all of the islands and all of the highlands If we couldn't laugh we would all go insane". Rhett when you get to that salty piece of land, pet Manatee for me. (Rhett's dog) Rhett my friend you will be missed. Finz Up.
