You raised a very good son. You will be missed. You were loved by many.

Lived by Bruce for 12years growing up. Many great memories with Bruce and that neighborhood. I visited him a few months ago and he was so kind even though I know he didn’t fell good. Bruce was a friend to who ever he met. So sorry Jean. Love you both!

We had the good fortune of living, for many years, on the same small circle in Holladay. The McMullins were and are very good, classy people. Our thoughts are with the family. -Lynn & Kerry Lehmann and Family

To Jean and the entire family! The Bauman family sends our love and condolences at Bruce's passing. We have such pleasant memories growing up on Wilson and Blaine Ave. Bruce's dad built our Brighton Cabin and we were "cabin neighbors" for many years. Bruce was always such a good friend to me but especially my brother Bill who was the same age. Bill, Clark Bird, Bob Shurtleff and Craig Kotch were all great neighborhood friends. We loved being neighbors to the McFarlane's years later on Sherwood Drive. Jean... you reflect your wonderful parents who were loved by mom and dad. We are so sorry to miss the opportunity to greet you personally. Tom is out of town and Colleen and I are leaving tomorrow (7th) for a long ago planned trip with all the arrangements already made. Bill of course is no longer with us and my Sister Kathryn is on a mission with her husband in California. The Baumans will always remember fondly the McMullins and we thank you for your contribution to our early lives. We pray the Spirit of the Lord will provide the comfort promised at times like this. Peter, We have not met and over the years I have not spent nearly enough time with your folks. But I want to thank you for this very moving tribute to your dad. Good guys like him don't come along that often, and when they do (as they did in his case) we need to hold them close and celebrate them. You've done that. Fair winds and following seas to Bruce and condolences to you and your family.

Well Done Bruce!! A wonderful life for a wonderful person. You and Jean carved out a beautiful life and family and hope that all the wonderful memories of you help in the healing of loss for your family and friends! Blessed be!

I have such fond memories of Bruce from my youth in the Cottonwood 1st Ward. Bruce was a huge part of my teen years through mutual. He always greeted me by his nickname for me. He had such a huge personality. I loved him and his family dearly.

Jack and I are so sorry to hear about the loss of Bruce. He brightened each of our lives with his kind, loving heart and gentle words that made each of us better. We are so sorry to the family and are thankful to have had our lives touched by his humble greatness.

When a loved one passes away, it does not mean they have lost to cancer. A life is not measured by the illness that ends it, but by how it was lived, why it was lived, and the love that filled it. Bruce lived well, and the finest reflection of who he was can be seen in his family. They stand as a living tribute to him and to the life they built together. Some people come into our lives, leave footprints upon our hearts, and we are never the same. That is certainly true of our friends from Highland High. I have known Bruce since those high school days, and we remain uniquely connected through that shared bond—our association with one another as fellow Highlanders. Bruce will be deeply missed for now, but death is no more than the turning of a page—from time into eternity. And in that eternal chapter, we will meet again. Our Deepest Condolences, Rick & Marilyn Sutter

It was truly an honor to care for Bruce as one of his nurses. He was always so kind, and we shared many wonderful conversations that brightened our days. Please know that he was deeply cared for by all of us, and he will be sincerely missed. My thoughts are with you and your family during this difficult time.
