Dick left a huge impression on me. We played together in Ellis Clyde's orchestra and he helped me be a better player. Bless his family with strength and courage and the knowledge that he's jammin with those who preceded

him to the session above.

Merleen, I am so sorry for your loss. We will all miss him in so many ways. He was a wonderful musician and we were all honored to play in whatever band he had. I am so sorry for your loss. I enjoyed Richard playing in the Phoenix Band at my school (Olympus Jr.) where I was the director and the other opportunities I had to play with him. Great trumpet player only matched by the type of person he was. I am sorry he is gone.

Merlene, we were so sorry to hear of Dick's passing. You failed to mention in the obituary, his time with the "Slip and Slide" with Ellis Clyde Band. That is where we first got to know Dick. He was a great musician and will be missed by many. May Heavenly Father's great Plan of Happiness bring you much peace. We send our best wishes to you and your family. Keith & Vera Ritchie

- Keith Ritchie

I found a friend that became my mentor and a dear friend. We loved the trumpet and he was the best I ever seen. We talked for hours and hours about playing and life. He is an angel and plays lead on the horn.
