Sherry, Jon, and family, Please accept my sincere condolences on your loss. Although I never personally met your dad, I saw his trucks on the road! That skunk logo is well remembered. He sounds like an amazing, hardworking and dedicated man that raised a great family. Having lost my own father 18 months ago, I truly relate to your loss. I know Dick must be looking down proudly at the family and legacy he left from his place in heaven with much love. Heart hugs to all of you. Love, Connie

Dear Big Brother: I will miss our phone calls, a quick trip to Utah or Palm Springs. You always looked out for me, making sure I married the right man, checking on Jim time to time. Mom and Valene will be thrilled to see and talk to you again. The Roundy Family (cousins) are getting smaller and smaller. I loved riding in your big truck when I

was younger. I am very proud of your success and a wounderful family. All my love, Little Sister.

Dick was such a great friend to so many people. He was the “Trail Boss” of our golfing group and we were always in disarray when he wasn’t there to take charge. It was always so clear to everyone how much he loved his family and how proud of them he was. His obituary says it best; He was an amazing man who will be dearly missed, but never forgotten.

- Rick Milne

They must have needed a leader badly, Dick was a awesome man, he was the boss, his success is proof, he was fair and honest man, who was willing to stand behind employees, and ready to handle issues with much tact. While making you feel his friendship was honest. All he expected of drivers. Was for them to come to work and do their job. It don't get any easier to work for a man, because he has been out there himself, and knows what it takes.. love and miss you Dick.. hugs and prayers to the family. Love you all
