

Richard "Dick" Bickerton

July 2, 1931 ~ January 9, 2023

I was sad to hear of Dicks passing. I spent many wonderful times with Dick on various film assignments for the LDS church. He always was very upbeat and helped the film crew to stay positive. He was very creative and it was a pleasure to work with him.

to all the Bickertons, Dick was My Hero he took me in into his world at a time of great need for my Family. He taught me everything I needed to know to be successful in our shared passion for film, and i will be forever grateful. I loved him and and his family, I could go on and on but I loved him is enough he was a blessing for for me
