So sorry for your loss. I have many wonderful memories of Richard from my childhood!! He was a wonderful cousin. So many Richardson family get togethers at the grandfolks home and at the cabin! He will be missed.

Dear KC and family: We are so sorry to hear about the passing of Richard. He was an extraordinary Man, Bishop, Scout Master and friend who will be greatly missed. We still recall his smile and laugh and the kindness he showed everyone. Scott our son just gave us the news saying "my favorite Scout Master has died ". Scott truly loved and admired him, as did we. May the Lord bless all of you.

Casey and family, I am so sorry for your loss! Richard will always hold a special place in my heart. He was our home teacher the entire 29 years I lived in Sandy. And he came every single month! I cannot tell you how many Priesthood blessings he has given me and my children over the years. Many, many blessings as well as coming over to fix things for me or give me advice during those difficult life challenges. He is a wonderful example of service, honoring the Priesthood and Christlike love. Heavenly Father must have needed a faithful home teacher in heaven! My thoughts and prayers are for you at this time. With love, Shirley

Dear KC and family, Today I sadly learned from Ray Moffit (Larkin director and close friend) of the death of Richard. For years I have been trying to locate Richard. He never attended or contacted the old Stewart School group, nor did he post his contact in the East High online registry or attend any of the reunions. I guess I did not try hard enough and now I'm sad. Richard and I attended Stewart School together beginning in kinder garden thru 9th grade. I want to believe that he was in nursery school with me on the U of U campus in the old home economics building above Stewart School. We would walk to his home on University Street nearly every day. That's where I met his great father and mother. His father taught me electronics...how to build electronics kits and how to solder circuits. Sometimes I spent more time with him than with Richard. We lost contact at East High. But after our missions picked it up again. He was an usher at our wedding and both you (KC) and Richard had dinner together with Jan and I in those early days. Then after your wedding we lost contact again. There were some things that I always wanted to apologize to Richard for and now they will have to wait. Our Best to all of you, Dennis & Janna Lee Lawrence
