So sorry to hear of Dick's passing. I'm so glad I saw you both on the last visit. I remember well how you both welcomed me when I came to the U so many years ago. I've never forgotten it. Our prayers are with you and your family as you remember a great husband and father.

I will truly miss Richard ,he was always a pleasure when he would go to Foothillfamilyclinic for his labs. That is how I met this wonderful man. He always put a smile on my face. He called me Miss America and always asked about my family and would share how his family was doing.last time I saw him he told me he was going to the other side..,,he wasn’t sad he had a smile on his face and I knew he was ready fir his savior. God bless your family

I'm so sorry to hear about your dad's passing. I have wonderful memories of him while growing up in the Garden Park Ward. I remember when your dad got the first microwave and Dan showing me how it cooked a hot dog in seconds! Your dad was like a rock star to me! My heartfelt love your mom and to each of you at this difficult time.

Our love and condolence to you Darlene and your family in the passing of Richard. We remember him fondly. You were wonderful considerate neighbors on Michigan Ave. We remember visiting you in Canoga Park in California. As I recall it was the first time young Tim swam across a swimming pool. Well do we remember when Tim won a

Litton Microwave oven at a Hercules summer party at Lagoon. We were afraid to turn it on and Dick was excited to come over and show us how to use it. May the Lord bless each of you as you celebrate the life of your dear husband, father and grandfather. Our prayers will be with you. With Love, Tim and Shirley Lunt and family

Dearest Darlene, What wonderful memories we have made. I will always remember our dinner outings. You two are the best friends - we could pick up our conversation no matter how much time had passed between our visits. I'm sure "our men" are hopefully playing golf in heaven! Love, Bev Seal

- Beverly Seal

Please know we are thinking about you today. Your husband and dad truly was born of goodly parents. Golden J. and May Fox Bennett. I remember as a boy going to their house on 700 East in Salt Lake. We were always treated with such love. Your dad was so friendly and kind to his younger cousins. He was a great man. I have always been impressed with the love he has had for you Darlene. He told me once that marrying you was the "Best" thing he had ever done. You both have raised wonderful children that will call you blessed forever. In a recent talk by our Prophet, President Russell M. Nelson, he said "we are born to live and we live to die". Families are forever. You will see your dad and husband again. May our Heavenly Father bless you as you go "carry on"!! We know He will. Love Dave & Judy Fox
