Such a a terrible shock to hear of this tragedy! The sadness is overwhelming and the most sincere prayers from the depth of my soul are sent to our beloved Lorenzo's family', each and everyone and maricelas family. I tell my family and friends that Rick was the same type of mighty men as nehi and Moroni. I consider knowing this wonderful family, the Lorenzo's to be a great blessing to the pedersen family. I know for sure the heavens weep for this be Utiful couple and the family that mourn for this departure from mortal life too soon. May our savior embrace you in his mighty arms and place his holy hands upon your heads and anoint you with his loving balm of aloes. You consolation comes through him where such a sad situation which is so hard to comprehend. We love you and pray for your comfort. Edward,Darlenesterl Much love from your eternal friends Ñ H

Our condolences and prayers for all the family and friends. May the GOD of Peace fill your hearts and comfort your grieving souls throughout the days ahead. I didn't get to know Richard at all, but I can totally agree to Maricela's innovative character and will to always succeed and bring up her family to their highest potential no matter what obstacle they would be facing. She was always so kind, loving, and giving…a strong and smart and beautiful woman, indeed. What a great legacy you've left for your daughters and granddaughter, Mari. Thank you for all your help with my grandson; it is engraved in my heart. Rest In Peace, Richard and Mari, in the everlasting presence of our Lord and Savior Jesus Christ. ■■ Lopez Family.

I have such wonderful memories of Rick! From HS and beyond; running over the mountain side. And especially the day he taught my son to shoot whilst providing his own equipment. God Speed, Rick!

Dear Laura (and Family), While we did not personally know Richard and Maricela, it is as a colleague of yours, Laura, knowing you professionally and through the heart felt obituary, we came to know and learn so much about this beautiful couple, family, and the story of their lives and love. We wanted to let you know our thoughts are with their children, you and your family during this very difficult time. Kindest Regards, Lisa, Patrick, Kyle, and Aoife

It was very good to know you Rick. Fun jams. Modifying guitars, making recordings, talking shop about music gear and our favorite players. You, “What do I owe you?” Me, “Nothing.” Why? Because it was always a pleasure. I missed you after you moved to TX and I moved away before you returned. You were even more legendary than I was previously aware but I am not surprised. Just proud. Even though we drifted apart my heart is sad about you and your amazing wife. I will always miss you Rick.

- Brandon Clark

I can still hear the laughter in your voice. You couldn't wait to get to St. George. You were so happy our girls had reconnected online. You and Rick were laughing and loving that they call each other bestie in every sentence and we made plans to see each other next summer. I miss you girl and I miss hearing about how much in love you were with life, your daughters, creativity and especially Rick. I will miss you calling me to tell me to check up on your girls - and no fears I will keep doing it. Love you much girlie girl always, until we meet again. Twenty five years of friendship was not long enough. Te voy estranar mucho mujer!
