

Richard Grant Horsley

January 11, 1945 ~ August 19, 2023

RIP my friend. Thanks for the memories, especially out in the field pheasant hunting. You taught me how to pheasant hunt and that has become a great joy in my life. To the family, know that your husband and dad was a good man. Horse was one of a kind, a man without guile, a gentleman and true friend. God bless!

Such a privilege to serve for a brief time in the AGM. Always a kind and good missionary and servant. Our prayers are with Vi and their family. With tender feelings, Rick & Michele Schroedter

Dear Vi and family. It was a shock to hear of Rick's death. He seemed so vibrant the last time I saw him. Rick was indeed one of the "good guys" and I enjoyed the times I crossed paths with either of you. May the peace of the Spirit descend and surround you and yours at this tender time. Sending love.

It is difficult to believe that Rick is gone. We just saw him and Vi at our missionary homecoming. We served with Vi and Rick in the Alpine German-Speaking Mission where we became dear friends. Dear Vi—please let us know how we can help you through this difficult time. All our love and prayers to you.

We consider it one of our greatest blessings to have had the marvelous opportunity of meeting Elder and Sister Horsley as they served in Prince George. They were the VERY bestest missionaries we could ever ask for. Elder Horsley was a wonderful example of Christlike service and so willing to cheerfully accept new challenges and demonstrated how to faithfully assume responsibilities and then call upon the Lord. We consider it a tender mercy and miracle to run into Elder And Sister Horsley recently at the Vancouver Temple. We love you both and pray for your health and strength moving forward. Luv ya!
