So sorry for your loss. He sounds like a wonderful man and father. May you find comfort in the memories.

Joy and Family I was saddened to learn of Jay's Passing. I have lots of fond memories of times spent together in JN 6th Ward neighborhood. I wish I could have been at the service today but health issues prevented my attending. I send my love and deepest sympathy. Laurie

Joy, we are sorry to hear about the passing of Jay. I remember coming home teaching to your home and Jay always wanting to show his latest pigeons and projects. He was very talented man. Shirley and I planned to come down to the funeral until COVID changed our plans. We were wanting to see Mike and Sally again after all these years. He was a great man and he will be missed. Love Shirley and DeWayne Jackson
