

Richard Mark Bartholomew

December 5, 1949 ~ February 20, 2024

Dick was an amazing man and had an amazing family. He and Nanette created the most incredible children and grandchildren. What a beautiful legacy that lives on in his name. May the Lord bless you all with peace, and love during this time. Know that Dick is smiling down whole again, body and soul. Love to you all. ❤■

Those of us that have loved Dick for many years, will love remembering him as the fun loving man that always made his family first in his life. We are all so grateful to have known of his many contributions to the world of auto immune diseases. His love for his family and his work was always amazing. My love to his family. You were truly blessed to have such a great father and grandfather. Love and light to follow you as you remember him.

Dick was a friend, neighbor, and travel budy. I will always remember the great adventures we shared. Cabo San Lucas, off-roading in baja, Hotel California (Todos Santos), Tombstone, New Orleans, and enjoying some of my homebrew. We both loved the adventure, and will never forget.
