

Richard Orville Evershed

June 18, 1947 ~ February 25, 2025

What a privilege it was to go through High school with you! Everyone loved you for your beautiful compassionate soul , even though we were all so young! You treated all with love and caring, never thinking first of yourself! What a wonderful experience knowing you back then and still keeping in touch lately, knowing you are still that wise, loving person you have always been. We love you Richard, rest in eternal peace and joy!

Farewell to a good man. I've known Richard ever since he married Susie. I've always enjoyed visiting with him at family get togethers. I'm glad I was able to see him one last time at Jean's viewing. Our sincerest condolences to his kids and their families.

A fun jokester, good at hoops, one of the Belvedere II faithful, a Pi Kap leader, a great friend. God speed Richard Evershed!

3/11/25 I have just heard of Richard’s passing. My heart is heavy from this news. He was the Best a Man at my wedding and I have considered him a true friend for sixty years. Unfortunately time and great distance has gotten in the way. We spoke at length on the phone several months ago. I’m so very glad I had that opportunity. I will forever remember many good times with him. We will meet again my good man!
