Paula, I am so very sorry to hear of Dick's passing. When you called me I was stunned. Dick was a good friend and it was an honor to work with him. I have many fond memories of Dick, but he was always a good friend and there was never a time that he did not stand by his moral principles. May the Lord stand by you and your family at this time and may His blessings always rest upon you!

Paula, Kaye and I send our most sincere and loving condolences. We were shocked to learn of Richard's so sudden passing. We treasure the many times we spent with you and Richard. We have special memories of staying with the two of you in Mexico City and have you "teach" us how to bargain and use the taxis and buses there. I also have fond memories of Richard with with me at Xonix when he was our representative on the West Coast. And, of course, I always admired Richard's superior golfing during our visits with you in St. George. We will always remember the good times we had together, and I hope that we will be able to once again have some quality time

with you. We look forward to seeing you at the funeral, and please know that we are thinking warm and loving thoughts about you and your family at this time.

To Paula and all the children, spouses, relatives, and in-laws. I have not met anyone who lived a life with more integrity and hard-work than Dick He is a role-model for all he met and for all he contributed. From building the golf course in Evanston, to Uruguay, Guatemala, and everywhere he worked, he made the places and people better. The High School in Evanston should retire his jersey! #11, as I remember. The world needs more Dick Spencer's!

Paula and the Spencer Family, Our memories with Dick and your family are very meaningful to us. We are grateful that our children could be friends with your children. Dick was always willing to serve with a humble spirit. I really enjoyed working with him in the ward. We pray you will find comfort and peace in his absence until you are reunited forever. With our love. Jim and Kay
