

Richard Scott Tyner

March 15, 1948 ~ April 6, 2024

I want to share our condolences on the loss of a great guy. We enjoyed so many afternoons playing pool at Stockman's Bar in Layton. I'm sure Rich will be missed dearly. I remember a time we happened to be high in the mountains and came across Rich and his friends. The furnace wouldn't start so we helped clean out the cobwebs and a hornets nest to get it started for him. We didn't know he'd be hunting in the same area, so quite a coincidence that we happened to come across him. RIP■

Rick, I cannot believe I’m reading this and that you’re no longer with us. You were such an amazing person and you were like family to me! I will forever cherish our late night talks over a drink, golf games where you constantly helped me improve, and last but not least, our poker parties! You always gave me a hard time because I was the young buck playing with the “old folks”; but truly, that wasn’t the case.. I was playing with my dearest of friends and family! You always made it so much fun! I will forever cherish everything you taught me and the great times we had together. Until we meet again my friend. Rest in peace Rick. Love, Nicholas Dellamore

You are deeply missed, Cuz, by all here on earth who were fortunate enough to know you. I'm sure you are in a good place now . . . in Heaven with your Mom & Dad, and all the other good souls who were lucky enough to know you here on earth.
