

Richard Vaughn Stam

December 26, 1925 ~ February 1, 2021

Richard was one of the best operators in the crane industry. He set a great example both in work and character. I worked with him on several occasions and always enjoyed the time spent with him and admired his craft. Sorry Lon for your loss but I know that you will follow in his footsteps being a good man too, and always have his memories with you. Craig

so Very sorry to hear of your loss. He was the best neighbor we have ever had. Luna Circle will miss him. Thank you for stories & advice, always a smile. The Melvilles

Uncle Dick was my favorite uncle! I have so many memories of him. When he was maybe 18 and playing the drum in a band, he would often sing "That Old Black Magic" beautifully and I thought he was awesome. He was always fun, loved to laugh and will be so missed by his children and family. He lived life to the fullest.

I very much admired Dick. He always seemed so positive and upbeat. He was a great friend to my parents. They thought very highly of him and thoroughly enjoyed his company. He lived a wonderful long life and will be missed by many.

Mono, there’s only a few people that will remember your nickname. I’m saddened by your passing, but know you’re in a glorious, beautiful and happy place. You were loved by all of your players, and everyone around you ❤■. You taught me more than just how to play basketball, but how to accept everyone, no matter their faith. Blessings to

your family at this difficult time. You will live in my heart always. God bless. ■

Dick and Muriel will forever remain in our hearts. For all the years I had the privilege of spending in their home as a Visiting Teacher and later as a friend, they changed my life forever. Sending our love to both of you. Hope to meet you again in Heaven.

Hearing the stories of how Grandpa Stam was as a husband, father and grandfather inspires me to be better. An incredible legacy left by an incredible man.

We are saddened at the loss of our friend and neighbor of over 50 years. We have so many fond memories of Dick and can't even begin to count the number of times he came to our aid to fix this or that. He loved to tell the story about Nancy catching the biggest fish on a trip to Lake Powell. Our prayers are with the family. May you feel the encircling arms of the Savior's love and may you find comfort in the knowledge that life is eternal. We have been blessed to have him in our life.

Dear Loralee, Lon, Jill, Darren, and Renee, and families! I am sad I missed the viewing last night, and the opportunity to see each of you! I was exposed to Covid, and didn't feel good yesterday - didn't want to share any germs! I watched the funeral and loved remembering so many wonderful things about your parents and your family. The funeral was so nice - I was grateful to be part of it. Thank you for sharing so much with us through the years. With love, Jean Goff
