I'm lost for words I'm truly going to miss you Uncle Rick you have taught me a lot about being a Man especially when you took me and Brandon in and Loved and took care of us like your own and also taught me the value of a dollar as well as the importance of family and I can honestly say that I also learned what love truly is I Love You Uncle Rick just wished I had visited you more or had your number to call you Rest In Paradise My Sweet Uncle Rick

I’ve been lucky to work with Rick as his VA Nurse Case Manager for almost 8 years and consider it a privilege. Life isn’t always easy, and Rick has had a full set of challenges over the years I have known him. His diagnosis with liver cancer at the beginning of 2023 has been one of the most difficult. I imagine that he met this major life challenge the same way he met the challenges and obstacles he faced while serving our country… with stoicism, a matter-of-fact optimism, gutsiness, and a kind of grace that was uniquely his… Both Heather Kunz, Rick’s current

SW Case Manager, and I wish him Godspeed & send our heartfelt condolences to his family… Ellen and Heather
