Dearest Dez and Steve, We are sorry to hear of the loss of your brother. Please know that you are in our thoughts and prayers during this difficult time and deep sorrow. God be with you, Sharon and Billy Martin

- Sharon Martin

I was once married to Rick and although we've been divorced for many years, he was a kind and loving father to our daughter, Kendra, and always treated me with respect. We were able to raise our daughter through a cooperative effort and she grew up to be a beautiful, intelligent woman. Rick, you will be missed.

I am so sorry to learn of Rick's passing. I have known Rick for most of those 30 years at Pool 'n' Patio Supply. I have never known him to be anything but a gentleman, and a hard working servant and boss. I wish to extend condolences to Kendra and Ryan and the rest of the family whom I have not known. I shall always remember Rick as a kind and honest associate. Jon Dunn

Rick, Every time we saw you across from our fence, you always made us feel welcome. It was fun shooting the breeze and talking about pools. That is something we both related too…..The best type of pool is a closed pool. Lol. Hoping you’re enjoying all of your hunting and fishing you were never able to get to during the “busy season.” Thank you for being a great neighbor to us when we moved in and throughout the years. Sending our love and

condolences to your family. May you all find peace through this. Chris and Kaylee McDonald
