You will be missed, Rick. To Rick's family, my most sincere condolences. From our epic football games on the median of 7th West, to the summer-long games of "over-the-line" at Jordan Park, growing up with you on the west side was pretty much a perfect childhood. Keep a spot open in the outfield for those of us that will join you later to continue the games!

We remember the happy times spent with Rick at baseball games, out of state tournaments, and traveling to Taft CA to watch Reyes and Brian play for their college team. Feeling sadness at losing a friend that kept us laughing through the years and helped ease the pain of filing our taxes each year. Rest In Peace.

I MISS YOU. My mind knows that you are in a better place where there is no pain. You are at peace. I understand that, I just wish I could explain it to my heart. There is an empty space in it that nothing will ever fill. I grieve, but I know my tears are for me. I love you so much, and will miss you forever, thanks for being the best daddy, and the best grandpa. Nert nert dad visit us in our dreams. ■

Truly a great man, friend, school mate, etc. Rick, you are missed and will be missed for many years to come. Your love of life and love for your fellow man has been a great example to us left behind. I know how you missed your parents and sister, you talked of them whenever I came to see you. I will miss putting up your Christmas tree and our luncheon visits. I'm so sorry that Covid cut into our visits. See you again my dear sweet friend.

In Sympathy, We are praying for your Family during this time Psalm 23, We have known Rick for over 35 years he used to drive his red sports car, to our home to do our income tax paper work, and after the work was completed we would eat dinner! Rick was so much fun he was a special person and a true friend! Then Rick got a office & hired some staff members to help him out. I prayed with Rick back in 2017 regarding his back and some other issues he was having with his health. We will MISS our Brother he was truly part of our Family. With much Love & Peace Tevita & Holly Fiefia

Dear, Heather, Jolie, Reyes, Marc, Ashlei, Brooke and the whole Ricky Florez Family: I first met or knew of the Florez family through Little League baseball over at Jordan Park. My Father Bill McDermott coached my two older brothers Rick and Rourke McDermott, and he coached against your grandfather "Rey" Florez. Well, when I was 9 years old my dad did not do any coaching at that time, and your grandfather Rey drafted me onto his team and that is when I first meet your dad, Ricky! The first thing I remember is that smile of his! He would look you in the eyes and smile! Even when he asked you a question he would smile while doing it. I learned quickly that he had a keen wit and sense of humor! Your dad was two years older than me; he made me feel a big part of the team and I felt like he treated me as a younger brother! His parents Rey & Bobbie were so kind and nice to me as well, I always felt welcomed in their home and I felt like family there and on the ball field! I remember your dad giving encouragement to me as a team mate; it meant a lot to me back then nearly 55 years ago, but I can still remember it. WE both went to different Junior Highs and High School, he went to West High and I went to South High and we both played Baseball at our schools. I wish I would have had more interaction with your dad over the years. However, I will think of him fondly as he was a kindly, sincere and good man. So, it is with my sincere condolences and heartfelt sympathy that I write these thoughts and memories of your father. With love and prayers, Luke McDermott

Rey and Marc remember the best memories- r.c willy hotdogs, black cherry shasta and fat boys. Ashlei and Jolie honor you with grace. i'm grateful for my poems and all the talking about things, so i can actually experience the pain of it all. "the only way out is through." i see you in the mirror, and right now that feels like so much weight- and i don't know that i'm brave enough to carry this. i am fortunate to enter today with love// what an honor to give you your final cut and prepare you for your services- such a painfully beautiful goodbye. Dad- i miss you but most of all i am glad you are out beyond the pain. you are safe at home plate and i can't wait to meet you there. i love you so so much nert nert. ■■■■

We have great history. You were one of my first students when I began teaching at Jordan Junior High School. After your father died you became our Tax Man! For over 30 years you prepared our taxes with great care. You invited me to join the Jordan Junior High School Reunion that you started on Facebook! Jordan Junior High will always have a special part of my heart as will You Rick. Loyda Kyremes
