

Roark Lynn Thompson

February 12, 1963 ~ November 24, 2024

My heart is broken that Roark has left us , however i will hold onto the best memories of a very dear special friend. I worked closely with him for many years and had the pleasure of getting to know what an amazing guy he was. He was always kind and offered a big smile during many crazy work trips . Loved working with him side by side on many Nurse Call projects , many good times, lots of laughter and yes great yummy dinners . May you rest in peace dear friend. You will be greatly missed . May God surround your family at this difficult time . Until we meet again watch over us buddy . Lov ya Roz

Roark was an inspiration to me. His love and energy for life was something you couldn't help but admire. When I first met him, it was for dinner on Cinco de Mayo at a Mexican Restaurant in SLC. I was so impressed by his zest for activity; his love for golf, skiing, hiking, and mountain biking. I went hiking with him, Pam, and Tiger later that week and his love for the outdoors was contagious. I'm so grateful to have gotten to know a tiny slice of this amazing man and witness how happy he made my friend Pam. I'll never forget the day Pam told me they were going to look at puppies over the weekend. Just goes to show how Roark was constantly bringing good things into the lives of people around him. His adventurous and positive spirit lives on in me! We miss you already. Rest easy.

Roark was a special guy and I will forever cherish the special memories we made together. One work trip he drove me hours out of our way to take me to see Mt. Rushmore. I will miss my friend but am so blessed to have had him in my life.

So sorry to hear of Roark's passing. I was in shock to say the least. I'm very sad for our daughter Peri and I hope she finds strength in knowing how much he loved her. Rest easy and in Paradise Roark.
