I've had a lot of great times with Aaron especially with him hanging out with my children and all the good times we had boating! It was also a pleasure to work with him in Papa's State Farm office. He was so kind to our clients and he picked up the insurance business so quickly. It's not easy being the only guy in a small office working with a bunch of women but he tolerated all of us and he did so well. He is greatly missed but will remain forever in my heart. Love you Aaron. Today's funeral service was so beautiful! All of you did so well! Love to you all. Becky

Rob, Julie and Family, I'm so sorry for the loss of Aaron. He sounds like an amazing person. I would have liked to have met him. May he now find the peace he was looking for in the loving arms of Heavenly Father. Love to you all,
Janet Faldmo Rupp (Rob's cousin)
