Sending our love and condolences to your family. Remember Robert & Connie well during the many years we lived in the Sugarhouse Stake. Great family, always very supportive. Remember well Connie's parents, Vere and Laverna Campbell, also from the Sugarhouse Stake. It almost seems like yesterday that everyone was together, Robert-Connie and Andrew. It wasn't until years later that we connected Sterling, his brother, as brothers to each other, that being when we became good friends with Sterling in the Roosevelt Singles Ward. Great memories that will live on forever. Again, we send our love and support at this difficult time of Robert's passing. But know that this life is but a second, compared to the time we will have to be reunited together as families for eternities with our loving Heavenly Father and our Dear Savior. My faith and prayers be with each of you as you walk this challenging path of life.

We didn't have a long time to get to know Robert at the Coventry, but he always seemed like a nice quiet humble person. I am glad I got to meet him. I told him that he had a great name, because my oldest son has the same name. It made him smile.
