As a teenager, I always loved passing Tony in the halls at church because he would always meet my eyes with a big smile and a warm greeting. He made me feel loved at church by just noticing me there. My family just love Tony and all of the Browns!

He did advancement for the troop I was in as a kid and bought the beautiful and unique Eagle plaque for the TO 2nd Ward. He got my brother Chris and I jobs in 1988 on the movie set for the Beauty and the Beast tv series for that Summer before I started Law School. Tony was a doer when others only talked! He was a great man and I am sorry he is gone.

I am so very sorry to hear of Tony's passing. He was a great man. I will never forget when you guys moved in next to my grandma. I have many great memories getting to know you all. I hope you find peace during this difficult time.

Love and light to you all.

We are so grateful for our dear memories of Tony. What a dear, sweet, joyful friend during our years with him and family in Thousand Oaks 2nd Ward!

I have great memories of Tony and his family when they came to Logan to visit my Grandmother, Isabell Hendry Parker Baugh, his mother's cousin. He was always playful and kind. When my sister and I visited them in California, my sister and his sister got a little drunk on his mother's cooking wine. He gave me great advice about not drinking. When he was going to Utah State University, he and his friends took us on jeep rides up Logan Canyon. When I was seeking information about family history on my dad and his family, he was gracious is letting me visit him and enjoyed his wife's delicious lemon bars. He was a great guy. So sorry he is gone but blessed by his kind and happy spirit.
