Dear Kathy and Family, I'm so sorry to hear about Rob. Rob and I officed in the same building for numerous years. I think the world of him. Always so kind and understanding. Always willing to help. He had that great smile and was always light-hearted, with a great sense of humor. Hard to believe he's gone. I will miss him.... After I moved out of the office there were numerous times I needed some help on an appraisal or some advice on a piece of real estate, and I called Rob. He was always very willing to help, and of course had excellent knowledge and wisdom about the situation. Rob was an inspiration. In the Greek Orthodox religion, we have a saying, "May his memory be eternal." . . . May Rob's memory be eternal. God bless and be with you all! Best Wishes, John Papanikolas

I just learned that we lost Rob Vincent over the summer. Rob was a very kind, soft spoken, and would help anyone. His beautiful wife Kathy and him were the kindest couple I had ever known, they both would go out of their way to help you. My kids used to call him Bob the builder, because Rob could fix anything and would help you fix things, rather than having me pay for something my child broke he had my son go to his home and showed my son how to fix the sprinkler head he broke, Rob was a genuine soul, he will be missed, guess god needed bob the builder to fix things in heaven. Love you Rob!!
