Sandi and family, How I loved “Bobby”! He was one of the most fun, humorous and best work partners I have ever had the privilege of working with. Bob and I were the only loan specialists at the Utah SBA. Needless to say when he retired, it left a big hole and the job was never the same. He was a great co-worker and friend. We will always remember the day when he was talking in his phone to one of his sons (Chad or Kyle I believe) and they were having car trouble. He then proceeded to ask them if they were anywhere near a phone!! For some reason the office has gotten very quiet and heard him ask that question. An uproar of laughter ensued and it Bob was not allowed to forget it. He will be missed. Love to you all.

I spent years working with Bob when doing SBA loans at several banks in Southern Utah. Bob always had a positive attitude and was a real problem solver with the result of helping others. We really enjoyed talking BYU sports. Bob was truly a great person. My sincere condolences to his wife and family.
