My Sweet Friend Karen, There really aren’t words big enough for a loss like this. Sixty years together is a lifetime of shared memories, laughter, challenges, and unwavering love. What a beautiful legacy you created together. I feel honored to have known you both and to have seen the strength and tenderness in your marriage. Please know you are not alone in this. I am here for you in any way you need — today and in the weeks and months ahead. Sending you so much love and comfort. Mishelle and Jason Thompson
